Provides introduction to legal, historical, and research information about serving young children with special needs in inclusive environments. Introduces issues and practices associated with establishing partnerships with families and understanding collaborative relationships that contribute to meeting diverse needs of young children in inclusive settings. Facilitates development of skills to adapt and modify the learning environment in line with developmentally appropriate practice. Introduces traditional and alternative assessment and identifies skills necessary to facilitate successful transitions.

11. **Reason for Proposal.** Why is this course being proposed or modified? This question requires specific information as part of the explanation. Please click on the ? to the right for help.

1. Inclusion of Children with Special Needs
2. PCC and UHWO alignment. UHWO uses ECED for course alpha.
3. Updating prerequisite (changing to ENG210, per CASLO assessment 2013), SLOs and PLOs. ED 275 includes a research paper and successful student achievement is more assured if they know how to write a research paper. The paper is a key assignment in the NAEYC Associate Degree Accreditation process and also used for assessing the Information Retrieval CASLO.
4. 5 year review.

12. **Effective Semester and Year.** For new or modified courses, the effective year is one year from the semester proposed. For example, if proposed in Spring 2012, the effective semester is Spring 2013. Please click on the ? to the right for help.
