Fast-Track Curriculum Action Request (CAR)
Clarification of Approved Intent

1. Author(s): Lynn Yankowski

2. Unit: Social Science

3. Date submitted: 16 April 2007

4. General type of action: course program

Specific type of action:

Addition:

- regular
- experimental
- other: specify:

Modification:

- number/alpha
- title
- credits
- description

- prerequisite
- corequisite
- program
- other: specify:

5. Course:

Alpha & no: PSY

Title: 100, 170

6. Existing prereq/other:

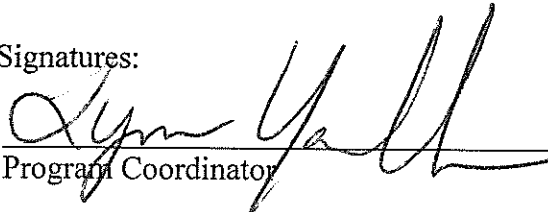

Currently the English prereq is a placement score only: Placement at ENG 100.

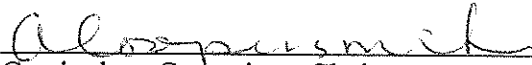

Problem: (1) Students who complete ENG 22 are still unable to qualify, unless they re-take the placement test and pass the cutoff; the prereq needs to add successful completion of ENG 22 as a route. (2) What constitutes "successful" completion of ENG 22? Passing is grade D or better, but the prereq for ENG 100 is grade C or better.

7. Adjusted prereq/other:

ENG 22 with grade C or better, or placement at ENG 100.
