Student Loan Guide – In School Deferment

1. Go to the National Student Loan Data System – [www.nslds.gov](http://www.nslds.gov)

   When you are logged in, click on the loan number:

   This will take you to the details of that loan. From that you can scroll down and find your Service Provider’s contact information.

   There are several different Service Providers that Dept. of Ed uses for students. Make sure all your loans are with the same Service Provider, if you have more than one you will need to contact all Service Providers for your loans.

2. Once you have your service provider information, come to the Financial Aid Office and pick up the In-School Deferment form that is specific to your Service Provider.

3. Once you have and complete the form, then take it to the Admissions Office to be processed and faxed to your Service Provider.
