A student is given one semester to raise his/her cumulative GPA above 2.0 before they are placed on probation.

If a student on probation earns less than a 2.0 semester GPA for 2 consecutive semesters, he/she will face suspension.

A suspended student can apply to UHMC after a wait period of at least one full semester. He/she will be placed on probation. Failure to meet the terms of probation after returning from suspension results in dismissal.

A dismissed student may be readmitted only in unusual circumstances, and only after a passage of at least 2 full semesters.

W, N and NC grades are not calculated in GPA for Academic Probation.

The academic policy is different from the FINANCIAL AID policy. There are instances where students are eligible to attend school, but not eligible for financial aid. If you have questions regarding your Financial Aid eligibility, contact the Financial Aid Office (984-3277).

More information on UH-MC’s academic policy can be found on the Academic Policy website at www.maui.hawaii/edu/academicpolicy.

If you have any questions or concerns about your academic status, call Haley Callahan, Retention Coordinator, at 984-3539.
