As a prominent member of Maui's community, we are writing to you to request your assistance in identifying promising individuals to take part in a unique opportunity, the **Ka Ipu Kukui Fellows** program. *Ka ipu kukui* means *crucible of light, a test and a furnace for seeking and taking the best path ahead*. A Decisions Maui and Focus Maui Nui initiative, the Ka Ipu Kukui Fellows program is a year-long program designed to help develop and train future leaders not only to identify challenges, but more importantly, to overcome them.

Maui Nui occupies a special place in the state, country and world. But as all of us know, we face many challenges that could very well erode the unique splendor of these special islands. From concerns and beliefs expressed first by Decisions Maui in the 1980s and reinforced by the 2003 Focus Maui Nui visioning process (www.focusmauiui.com), the Ka Ipu Kukui Fellows program was conceived to provide significant help in identifying and training leaders through a community-based program specifically designed to address all aspects of planning for Maui Nui's future.

Attached is an application for the Ka Ipu Kukui Fellows program. If you know of an outstanding individual or employee who you would like to nominate for this program, please fill out and return the application to the address above. For more information about this program, contact Dr. Lori Govaars at 984-3406 or visit www.kaipukukui.org. **The deadline for application submission is 5:00 PM, Monday, July 16, 2007.** Mahalo for your time and consideration.

With our Aloha,
