Objectives:
- To increase awareness of student success pathway
- To increase awareness of where campus leaders fit and can contribute
- To identify outcomes and tactics to operationalize STAR and Starfish

8:30 am  Breakfast

9:00 am  Welcome, Introductions
Overview of Student Success Pathways Framework – Cathy Bio
Campus perspective and Student Success Outcomes – Lui Hokoana

9:30 am  NSO/ FYE – Lui Hokoana
What do you think are the greatest challenges facing our first time, full time students?
Choose one of these barriers and talk about possible ways to address it.
What are your thoughts about the FYE proposed model?

10:00 am  Break

10:15 am  Starfish – Kristine Korey Smith
How can we increase the use of Starfish by 20%?
What resources do we need to increase use of Starfish?
What practices do we need to look at changing to increase the use of Starfish?

10:45 am  STAR – Kulamanu Ishihara and Jaymi Wilson
What needs to be done to take STAR use to scale?
What concerns do we have about these changes?
Can we agree to move these changes forward?

11:15 am  Lunch/ A Hui Hou!
