Kaʻao Framework

**Hua: A catalyst to transform.**
The big 'WHY'.
The big 'Dream'.
Why are you here?
Why did you decide to come to college?
Why do you want to get a degree?
What is your dream for the future?

**Haʻalele: An embodied flight from the community. The preparation and separation**
**A commitment to the Dream.**
How must you prepare for college?
What must you do to be ready to go to college?
Who do you have to talk to?
Who will you leave behind?
What must you commit to?

**Huakaʻi: The Journey & Experience**
The time of struggle.
How do you move through the struggle?
Who will bring the new life to you?
How will this new education bring improvement to your life?
Who will help you along this journey?
How will all of this experience help you in the future?
Ho‘i: A reintegration back into the community. A Give Back. A Contribution

How will you take your degree and learning back to your community?
How will you support the community that you come from?
How will you help your lāhui?
How will you help your family and friends?
What will you now do with this degree or knowledge?
