ACTIVITY 1: QUICK SOLICITATION REVIEW

What is the funding opportunity?

Who is the sponsor/funding agency?

What is the goal of the project?

Are we (UHMC and/or UH System) eligible to apply? Why or why not?

What is the deadline?

What is the maximum amount of funding available? What is the range?

Is Cost Share, Match, or Leveraging required?

Look to see if you can find the evaluation criteria as well as any kind of submission checklist.

Is there any restrictions or anything else that you had questions on?

Would you apply? Why or why not?
