*Aloha and welcome to Maui Community College.*

*Your goals for education, career, and life should directly connect with our programs and services. Your clarity and passion regarding your goals are keys to fulfilling your ultimate aims. If you are not clear about your goals, identifying them is "JOB #1!"*

*Our counselors and faculty on campus are available to assist you. They also schedule regular visits to our Education Centers on Molokai, Lana'i, and in Hana, Kihei, and West Maui. Please contact them to arrange an appointment for career and course selection guidance. To help you select your academic direction, you may want to explore service learning and cooperative education experiences that will place you in settings that reflect your career interests.*

*Getting excited about your learning will be easy if your courses provide you with the knowledge and skills to fulfill your goals. Through programs, courses and services, our faculty will help you answer large and small problems. Your primary responsibility is to "ask questions and complete assignments."*

*We welcome you into a lifelong county-wide learning environment where you and your colleagues are learning online, through cable, interactive television and streaming video, and at our centers on Molokai, Lana'i, and in Hana, Kihei, and West Maui or on our Kahului campus.*

*I look forward to seeing you. Please let me know if you have any questions.*

*Warmest Aloha,*
