

MCC Kahului Campus Map

Front cover—

While earning a Bachelor of Applied Science in Applied Business and Information Technology, Nikki Kinoshita works as a student assistant in the graphic arts section of the Maui CC Media Center.

Back cover from left—

Maui CC Marine Option Program students survey coral reefs in the Quantitative Underwater Ecological Surveying Techniques (QUEST) course held each summer at UH Hilo; Culinary Art students gain experience in fine dining as they prepare meals to be served in The Leis Family Class Act Restaurant on the Kahului campus.
