Interim Assistant Dean of Instruction

Aloha and welcome to Maui Community College.

Your goals for education, career, and life should directly connect with our programs and services. Your clarity and passion regarding your goals are keys to fulfilling your ultimate aims. If you are not clear about your goals, identifying them is "JOB #1!"

Our counselors and faculty on campus are available to assist you. They also schedule regular visits to our education centers on Lana'i and Molokai and in Hana, Kihei, and Lahaina. Please contact them to arrange an appointment for career and course selection. To help you select your academic direction, you may want to explore service learning and cooperative education experiences that will place you in settings that reflect your career interests.

Getting excited about your learning will be easy if your courses connect with acquiring the knowledge and skills that will fulfill your aspirations. Through programs, courses, and services, our faculty and staff will help you design answers to large and small problems. Your primary responsibility is to ask questions, complete assignments, and get excited about your future.

We welcome you into a lifelong global learning environment where you are learning not only in the classroom but also online and through cable and interactive television and streaming video, joining students from other parts of Maui County, Hawai'i, the mainland, and the world.

I look forward to seeing you. Please let me know if you have any questions.

Warmest Aloha,

A handwritten signature in black ink that reads "Clyde". The signature is written in a cursive, flowing style with a large loop at the end of the name.

*Clyde M. Sakamoto, Ed.D.
Chancellor*
