

**MCC STRATEGIC PLAN**  
**2004-05 Priority Action Strategies**

TEAM C. Provide students with access to a seamless UH system with full articulation between all campuses.

Team members: Frannie Coopersmith, Hiroko DeLeon, Charlene Gima, David Grooms, Debra Nakama, Dorothy Pyle, Kiope Raymond, Renee Riley, Michael Takemoto, Catherine Thompson, Suzette Robinson (Fall 04)/flo wiger (Spring 05) - Responsible Person; Colleen Shishido – Team Leader

Accomplishments in 2004-05:

- Clarification of documents needed at the MCC level and processes involved in articulating courses within our system
- Familiarize team members with pertinent URLs and forms for articulating courses
- Worked closely with university liaisons to articulate specific courses, in particular Symbolic Reasoning and Diversification courses for UH Manoa; and Quantitative Reasoning courses for UH Hilo
- Worked closely with UH Hilo Records Specialist to update and revise BANNER (UH Student Information Database) course equivalencies in SHATATR form between MCC courses and UHH courses

The Team recognizes that articulation is an on-going activity. Plans for the next academic year include continuation of articulation discussions of our Applied Business and Information Technology (ABIT) courses with our university campuses, in particular UH West Oahu; articulation of Hawaiian, Asian, & Pacific Issues courses with UH Manoa; and submission of new or revised MCC courses for articulation within our system.
