Aloha,

We want to empower our students by giving them international exposure so they can face any challenge with confidence and pride. We'd like to introduce a program where students shall be selected and sent abroad for two weeks in an inaugural International Mobility Ready course, referred to as the I.M. Ready program.

This year, the University of Hawaii Maui College's Kabalikat Council, a group of community-minded Filipino leaders on Maui, has set a goal to raise funds to shoulder student travel and learning expenses associated with the program. The council agrees that having the international experience on our students’ resumes could significantly increase opportunities in their career.

We agree that travel is instrumental in the holistic development of a student, from attending classes in a partner university abroad and experiencing the food, culture and lifestyle of its people. We want to develop an inaugural cohort to experience this first hand, and bring back stories to inspire.

The goal is to send 10-15 students to the Philippines in Summer 2018. There will be an application process and we want to announce the first cohort in November.

We are preparing our students for global competence and we'll take care of all the details, but we need your financial help. This major donor campaign is an investment in our students, and a promise for Maui’s future in the global community.

Every dollar donated will help us reach our goal. We look forward to your favorable response. Please review the attached major donor levels and benefits. Please contact Kit Zulueta at zulu@hawaii.edu at (808) 984-3398 for any questions.

Sincerely,

VINCE BAGOYO
