

Unity Exercise – Joyce

Put up signs agree, disagree, I don't know

With each statement, go to the area that corresponds with how you feel – Agree, disagree or I don't know

- 1. Is our school doing all it can for students.**
- 2. Students should evaluate teachers.**
- 3. Student from low socioeconomic groups are at risk of failing.**
- 4. My time is my time, and it's no one's business what I do on my time.**
- 5. When people succeed, it's because of hard work. Luck has nothing to do with success.**

Would anyone share why they agree with this statement?

Would anyone share why they disagree with this statement?

Would anyone share why they do not know if they agree or disagree with this statement?

After all 4 questions are played out –

Look where we are all standing. What are they underlying commonalities?
