

The mission of the Hospitality & Tourism Program is to:

Prepare students for employment in entry level and/or supervisory positions in the hospitality and tourism industry; prepare students to transfer to four-year institutions offering baccalaureate degrees in Travel Industry Management or Hotel/Restaurant Management; become the first choice for education and training for Hawai'i's visitor industry employees and managers; and foster an understanding and appreciation of Hawaiian values and culture as the foundation of Hawai'i's visitor industry.

The Hospitality & Tourism Program focuses on developing the skills and knowledge necessary to successfully qualify for work in the hospitality industry. Hospitality & Tourism is a career ladder program that moves progressively from the 16-credit Certificate of Completion to the 33-credit Certificate of Achievement, culminating with the 63-credit Associate in Applied Science degree. The CA and AAS track requires completion of an internship, which enables students to gain practical on-the-job training. The program is organized with a core of courses focusing on various aspects of the hotel industry, enveloped by a variety business and general education courses designed to broaden the students' background and enhance employability.

Students may earn certification provided by the American Hotel & Lodging Association (AH&LA) in selected Hospitality & Tourism courses. Specific HOST courses are articulated to the University of Hawai'i at Mānoa, as well as to other community colleges in the University of Hawai'i system. Majors are required to meet with the program coordinator or counselors early in their studies for academic advising. A grade C or better is required in HOST courses applied to the CC, CA, and AAS degree. A minimum 2.0 GPA is required.

Contact the program coordinator, Lorelle Peros, at 984-3343, or by email at lorelle@hawaii.edu for more information.
