Early Childhood Education

The Early Childhood Education program is designed to prepare students to work with young children from birth to 5 and their families. The curriculum is organized around a core of courses that provide skills and knowledge needed by early childhood educators. This Associate in Science in Early Childhood Education articulates into the UH West O'ahu Bachelor's in Social Science, Early Childhood Education concentration. **Additional courses are required for transfer to UH West O'ahu. See counselor or program coordinator.**

Contact the program coordinator, Elaine Yamashita, at 984-3208 or by email at yamash@hawaii.edu for a careful selection of courses.
