I understand that I must fulfill my kuleana (responsibilities) as a haumāna to remain in the Mu`o A`e program and receive full academic and support services. **My signature demonstrates my commitment to participate in the Mu`o A`e program and fulfill my kuleana, consistent with `Ōlelo No`eau “A`ohe `ulu e loa`a i ka pōkole o ka lou.”** This translates to “No breadfruit can be reached when the picking stick is too short.” In other words, *there is no success without preparation!*

* Depending upon your program of study, we may need to adjust your enrollment in English, math, Interdisciplinary/Student Success course/s and a Hawaiian perspective course.
