### **Program Goals**

The Administration of Justice Program goals serve the following broad purposes:

- To provide general academic knowledge, concepts, and theory pertaining to the criminal justice system.
- To meet the pre-service needs of those preparing for careers in law enforcement, private security, or other fields related to administration of justice, particularly in light of the increased need since 9/11 for addressing security issues in our County, as well as the nation.
- To meet various in-service educational and training needs of professionals in the administration of justice field.
- To foster a sensitivity and awareness of the multi-cultural community the students will be dealing with on a professional basis, and to practice Native Hawaiian reverence for the *ahupua'a*, the practice of sustaining and sharing diverse but finite resources for the benefit of all.
