Who, What, & Why Upward Bound?

TRIO Upward Bound (UB) is an engaging, educational program that provides fundamental support to students in their preparation for college enrollment. UB provides opportunities for students to succeed in their pre-college performance and ultimately in their higher education pursuits. UB does this through various year-round events and services. Upon initiation, UB will serve its students throughout their high school tenure. Because UB is funded by the U.S. Department of Education, the program is **FREE** for parents and students! Upward Bound's main goal is to instill the value of earning Bachelor Degrees in its students. Contact us to learn more!
