

JUNIORS

TIME TO GET SERIOUS!

Register for the SAT & ACT in advance! Remember you have 2 free waivers via UB!

Go to college fairs and college presentations when available to you

Start identifying (at least) 5 colleges you want to seriously apply for. Talk to your advisor about entrance requirements

Prepare your FAFSA documents early! Talk to your UB advisor about what you need, so both you and your parents/guardians will be ready when it opens!

You're in the brunt of your high school years now! Attend tutoring to keep those grades up!

If your high school requires a Senior Project, start making plans now so you don't have to worry about it later!

Research scholarships you want to apply for next year, and take the added steps to adhere to those desired requirements

Attend UB Summer Academy! As a Junior, you have the added privilege of partaking in an internship and attending the Summer College Tour!
