

ACCUPLACER TEST DATES

Accuplacer placement tests are helpful to all students for appropriate course selection.

You do not need to be accepted into college to take the placement tests. Test scores from other UH Campuses are transferable.

Recent high school graduates are encouraged to provide a copy of their high school transcript to their academic advisor to see if they qualify for alternate placement opportunities prior to taking a placement test. For more information, call Susan Nartatez at 553-4490 x3.

Bring a photo ID and your UH ID number to the testing session. Tests begins promptly.
